

Discovering Louise Nevelson

Posted on *March 29, 2019* by *Alexandre DUBOS*

[img_2407](#)

The children in MSB have been studying Louise Nevelson this past week. We pasted baguettes onto cardboard squares then painted them in different shades of black. The result is a very artsy sculpture to be admired on the walls of the MSB classroom. Enjoy :) Regards, MSB team.
