

Le prix maternelle des incorruptibles

Posted on *January 01, 1970* by *Marine Julian*

Les incorruptibles est une association qui promeut la lecture chez les jeunes. Dans ce but, elle organise chaque année "Le prix des incorruptibles" en sélectionnant des ouvrages de littérature jeunesse. Cette année, cinq albums jeunesse faisaient partie de [la sélection maternelle](#) : Gare au monstre (S. Shin), Gros loup et la petite bête (R. Hodgson), Il était une fois... La Traversée (V. Massenot et C. Pollet), Petit pois (D. Cali et S. Mourrain) et Plus gros que le ventre (M. Escoffier et A. Piu). Pour cela, Camille avait réalisé des bulletins de vote : nous avons bien réfléchi à notre livre préféré (dans notre tête pour ne pas se faire influencer par le copain) et nous avons placé le bulletin de vote dans une urne !
